

Community Trailblazer Info Sheet

The Birch Golf Classic is a vehicle for business and community to join together; shine a light on and raise money for non-profit organizations helping connect those in need to better pathways. In the last 9 years, the Birch Golf, has donated \$2.1 million to these organizations. The tournament also celebrates our region's diverse melting pot of Trailblazers from all parts of our PNW community that represent business, academia, law enforcement, heavy industrial, retail, social services, food production, coaches and athletics and local celebrities of all backgrounds, shapes, sizes, colors and age who are making a difference in the work they are doing career wise and/or philanthropically. The tournament was designed, founded and is fully under-written by Birch Equipment, with 100% of all funds raised going to the recipient organizations.

What is the Trailblazers Role?

The role of the Trailblazer is to allow us to highlight through our direct e-mails, social media and at events leading up to the tournament for the great work they do. Trailblazer are required to come to the pre-tournament dinner the night before, as well as play as the 'Pro' (5th person) that joins each 4-person golf team to create a 5-person Pro-Am format Scramble.

How does this happen?

- Trailblazer is nominated and has determined that they are interested, available and are a decent golfer.
- Trailblazer e-mails: brief bio, photos (head/shoulder pic, family, work, hobby, volunteer pics, etc.), handicap, e-mail and cell phone to birchgolffclassic@birchequipment.com
- On the [Birch Golf Classic Website](https://birchgolffclassic.com), Trailblazers are paired with unique/hard-to-obtain prizes (Trailblazers are not required to come up with the prizes) and teams raise funds with a stop date of Aug, 28th, 2pm. Where teams then select their Trailblazer + Prize Combo in order of funds raised. This is one of two primary fundraising vehicles for the Birch Golf Classic. We recommend checking in regularly as well as watching the Team Page the day team fundraising ends, (obviously there is no deadline for donations coming in ;-).
